**Your partner for drive technology, mechatronic,
sensor technology, crane and material handling**

Design & Graphik: www.studioproart.at

In cooperation with:

LTN Servotechnik GmbH
STIEBER GmbH
KBK Antriebstechnik GmbH
Green Gear Trasmissioni S.r.l
MEGATRON Elektronik GmbH & Co. KG
SENSY S.A.
Gosan S.A.

Drive technology

Free wheels, Couplings & Brakes
Locking devices & Shrink discs
Backstops, Overrunning clutches

Mechatronic & Sensor technology

Slip rings, Resolver
Angle, position & load sensors
Rotary joint
Joysticks & Input devices
Potentiometer
Electronic housing (aluminum, plastic)
Components (plastic, optical hardware, shrinking hose)
Incremental & absolute encoders
Precision and specialized resistors

Crane and material handling

Cable reels, Remote monitoring systems
Load limitations, Hooks & Hook blocks
Weighing equipment

Machines for the Beverage Industry

Packaging machines, Palletizer
Filler/Capper, Labeler, Process
